

BAKER VETERINARY CLINIC  
Permission to Play

1. I understand that Baker Veterinary Clinic (BVC) requires my written permission in order for my dog to co-mingle (play) with other dogs, and I hereby give that permission.
2. I understand that BVC is required to maintain proof of immunization on file, and I certify that my dog is current on all shots according to BVC boarding policy and I will provide BVC with updates as needed prior to each visit.
3. I understand that BVC will not allow my dog to play with nonsocial or aggressive dogs, but also understand that the occasional injury is the by-product of play, and may rarely occur.
4. I expect that BVC will always use their best judgment to secure immediate care for my dog. I further understand that BVC might be forced to make serious decisions about my dog's welfare if they are unable to contact me.
5. I know that BVC will do everything possible to make sure that my dog is not exposed to anything of a virological or bacteriological nature. I also understand though that when dogs play, just as when children play, there is a greater chance of exposure to these elements.
6. I know that it is my responsibility to advise BVC of any medical problems that I am aware of. Further, I will advise BVC of any behavioral peculiarities such as fence climbing, digging, and human or canine aggression. I will advise BVC of any illnesses or infections my dog has had in the 30 days prior to any visit.
7. I understand that Veterinary expenses incurred for the care of treatment of my dog is my responsibility and I authorize BVC and/or the Veterinarian of their choice to utilize the credit card BVC maintains on-file for the payment of such services.
8. In summary, I know and expect that BVC will take care of my dog/dogs with the same care and attention as if they were their own dogs.
9. I release Baker Veterinary Clinic of any liability arising from my dog's attendance and participation in activities.
